

Ideation Fellowship

Factsheet

The **Ideation Fellowship** helps talents transition from having no traction for their business idea yet to being a successful tech entrepreneur.

Next Standard Batch Start Date

March, 2025

→ We assess applications after the deadline of **02 December** and you will hear back from us in mid-December

Options only — no rigid structures

- Pitch in front of **hundreds of angels and tier-1 VCs** and reduce fundraising time by more than 80%
- Free cloud credits, tickets to **Europe's leading conferences**, templates, and more
- Strategise with **mentors and subject-matter experts** on your own schedule
- Connect with **unicorn founders, investors and EWOR fellows** in the **EWOR House**
- Join a community of **0.1% outlier founders**

Location

Online from anywhere

Duration

6 months

Equity

3% equity tuition fee

Funding

Up to €150K in selected start-ups at €1.0M post-money valuation cap*

Investment Timing

During, or after the fellowship

*EWOR will never take more than 10% of your company and lift the valuation cap in case more is invested

Apply to EWOR to gain an unfair advantage.
